

**REMARKS**

Claims 20-38 are pending in the above-referenced application and are submitted for the Examiner's reconsideration.

With respect to the Section 112, second paragraph, rejection, Applicants submit that the amendment to claim 20 has obviated it. Accordingly, withdrawal of this rejection is requested.

As for the objection to the declaration, the deficiency has been duly noted, and a new declaration has been sent for the inventor's execution. Upon execution, the declaration shall be immediately forwarded to the Patent Office.

It is respectfully submitted that the subject matter of the present application is new, non-obvious, and useful. Prompt consideration and allowance of the application are respectfully requested.

Respectfully submitted,

KENYON & KENYON LLP
